W.P(C).No.6859 OF 2007

Dated this the 7th day of March, 2007

JUDGMENT

I have perused the writ petition, considered the matter on 1.3.2007 and today. I have also perused the instructions available with the learned Government Pleader. Either way, there is a situation which requires due care and caution to be exercised by the competent authorities, going by the writ petition as also the instructions available with the learned Government Pleader. This is more so because three children are involved and their mother, who is the wife of the petitioner, is also involved. In the peculiar facts and circumstances of this case, the first respondent is directed to look into the entire matter and take any necessary action.

The writ petition is disposed of as above. Having regard to the situations in hand, it is directed that the contents of this proceedings and judgment shall not be published.
